

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF VIRGINIA
Richmond Division**

COMMONWEALTH OF VIRGINIA
EX REL. KENNETH T. CUCCINELLI, II,
in his official capacity as Attorney
General of Virginia

Plaintiff,

v.

Civil Action No. 3:10CV188-HEH

KATHLEEN SEBELIUS,
SECRETARY OF THE DEPARTMENT
OF HEALTH AND HUMAN SERVICES,
In her official capacity,

Defendant.

OPTIONAL MOTION FOR LEAVE TO FILE AMICUS BRIEF

W. Spencer Connerat, III, citizen and resident of the State of Florida, hereby requests leave to file this short, yet important brief in the above-styled case. He is a holder of the common stock of Philip Morris International Inc., a Virginia corporation, and supports the Plaintiff, Hon. Kenneth Cuccinelli.

Mr. Connerat acts in good faith, does not represent any party, other than himself, in this *amicus curiae*, and under penalty of Law states only the Truth. Out of respect for the Court, the brief is only three (3) pages in length. There is a certified document of relevance included as the final page. If the Patient Protection and Care Affordability Act (PPCAA) is not thwarted in this action, Mr. Connerat, degreed in Economics from the University of Virginia, has modeled that the robust health of his Virginia

corporation, including the capacity to pay future dividends, will be diminished, affecting his fellow stockholders, as well as himself. In summary, the model posits that a violation of the Virginia Health Care Freedom Act, would have repercussions in terms of lowered morale, and the attendant effects on productivity of workers, at Philip Morris International Inc. plus other Virginia corporations.

Mr. Conneral humbly seeks to bring to the attention of the Court a facet of the unlawful nature of the PCCA which not been mentioned heretofore. This is a judicial purpose for having such a brief as is being presented here. Such a high profile case would not lend itself to either side accepting such a brief, written by a Florida man, who spent much of this day at repose, watching college football. Therefore, it is requested that the Judge grant leave in this special circumstance. What is attached as the final page of this brief is a Certified Copy of a Notice filed in the 6th Judicial Circuit, in the State of Florida. This document is admissible as fact, and serves as *prima facie* evidence that the PCCA is not valid as Law, due to the fact that the underlying Bill was signed on March 23, 2010, by a man who just five (5) days

earlier admitted that he was ineligible to hold the office entitling him to sign such Bill into Law. With the actual document attached, and with nothing further, this friend returns to repose, as Virginia plays University of Southern California, and he has not watched enough football this date. I hereby certify that the foregoing statements made by me are true, to the best of my knowledge. I am aware that if any of the foregoing statements made by me are willfully false, or if not made in good faith, I am subject to punishment.

Respectfully submitted (via U.S.P.S. 1st Class mail) on September 13, 2010.

Both Plaintiff and Defendant served via U.S.P.S. 1st Class Mail on September 13, 2010.

Document signed on September 11, 2010, in advance of mailing three letters Monday, September

13, 2010, postmarked from Tampa, Florida Post Office.

And WHEREAS the Plaintiff seeks to fulfill his promise to record,

BE IT THEREFORE RESOLVED, that this document represents a recorded ADMISSION OF INELIGIBILITY by the Defendant, A CONFESSION IN OPEN COURT, AND THE BASIS FOR AN ACTION OF TREASON, in this State and in any other jurisdiction which may deem such tacit admission as fact.
